How to Turn on Captioning

Hover mouse over the bottom part of the video, and the toolbar will pop up. On the right is a CC button. Click on that button to turn on captions.

Note: Some videos may not have captions, or the auto-generated captions may not be accurate. If you have difficulties, please tell your teacher and your deaf education teacher.

Hover mouse over the bottom part of the video, and the toolbar will pop up. On the right is a CC button. Click on that button to turn on captions.
